Rica. The Peace LodgeThe Peace Lodge is the ultimate awakening of your senses. Here every magical sight, wondrous smell, and sensual touch create irreplaceable memories of a journey you wish to take again and again. We pride ourselves on offering our guests the most unique luxury mountain lodge experience in Costa Rica.

All guests are welcome to enjoy the park before it opens and after it closes, the optimal bird watching and wildlife viewing times. We are a great option as a bird watching hotel in the greater San José area because the rain forest literally surrounds the hotel and we have many "hard to see" species visit our feeders. Guided walking tours are available, but we suggest booking these at the same time you reserve your room. Guests will be greeted in our new reception with a postcard view of the La Paz River Valley. Complimentary internet access is available to all of our guests in the Rooms, Restaurants, Reception and almost the entire Park.
