JP Sport Fishing ToursJP Sportfishing Tours, a locally owned family business. Featured on TV with The Catch Costa Rica, Rated # 1 in Quepos & Manuel Antonio, The Best In Costa Rica since 1993. Join us on our gorgeous 34 foot fishing boats Wild Lady and Sea Lady for a great half day or full day fishing adventures in one of the best fishing areas in Costa Rica. We are located at Marina Pez Vela in Quepos. It's about those endless summer days. The way the world—and your worries—slips away with every knot you cruise. The water is easy and calm. The bait is ready. The beer is (ice) cold. And the only thing you have to worry about is how to say “hell yes!” in Spanish. You’ll feel like a total celebrity as you rule the roost aboard our 34-foot private charter boats, The Sea Lady and The Wild Lady, built for catching BIG FISH—and making even bigger “can you believe we did that?!” memories. Because killer memories are what it’s all about, isn’t it? Feeling like you’ve actually lived, and lived well. Knowing that you were the kind of person who did, despite. Being able to say, “I showed up for myself, dammit.” And doing the kinds of things in this world that make you a better person for having done them. Better, happier, more worldly—and even more fun and adventurous and

crazy than even you thought you were. Yes, a day aboard one of our boats, just for you and your friends, your family, or even your kid, might be exactly what the doctor ordered. We're 100% dedicated, 100% excited, and 100% honored to host you. We've been taking friends fishing for twenty-five years, already...and we're just getting started. <iframe width="560" height="315"
