Exciting NEW Restaurant - WHITE EAGLE - specializes in International & Polish Cuisines!!! From their popular Polish favorites to their fresh fish selections and mouthwatering pasta dishes. And what is an international restaurant if they didn't also specialize in Costa Rican traditional dishes? The White Eagle restaurant will be sure to satisfy the whole family even the pickiest eaters. The "White Eagle" restaurant is a very chill spot in the middle of Manuel Antonio's jungle hillside inside the Hotel Tres Banderas. Not only is their food delicious but they also have refreshing cocktails. And for wine lovers they have an extensive collection of wines going from Argentina, Chile to Italy with a variety of 10 different grapes to choose from by glass to accommodate all kinds of palates. "We strive to give our guests a different food experience and focus on offering natural ingredients; personalized service and making everyone feel at home." Ninja tip come between 2:00pm to 5:00pm to enjoy their happy hours specials, if you're wondering what kind of specials? Go to YouTube and just type "How to chilliguarro with a AK-47" you'll get an idea! Come join us for dinner, Nasdrowie!
